

“A learning community– developing hearts and minds”

Hollingbourne News...

Well done to Colette and Luke who have been elected as our House Captains! All the children should now know which house they belong to and each class has a representative for either Eyhome or Culpeper House who will form the school council. The House Captains are already undertaking their first job which will be to read a prayer they have chosen themselves in the Harvest service on Monday.

Many congratulations to all the boys who took part in the small schools football tournament. Mrs Nurden was incredibly proud of their team spirit and effort.

YOUR SCHOOL NEEDS YOU!

We would really like to involve more parents in the ‘Friends’. In the past this group have worked really hard to raise funds for the school which we have been able to use to enrich the curriculum or make improvements to the school. However, more help is needed as volunteers are dwindling. If there is anything you can do to support this group, then please contact Annabel.berridge@3i.com

Many thanks!
