

Hollingbourne News...

Many thanks to everyone who kindly created harvest boxes and gave so generously. The boxes have all now been given out to people within the village and a few boxes have also been given to the Salvation Army, who were extremely thankful for our donations. Thank you to Pine Class who helped deliver the harvest gifts! We have already had many letters of thanks from grateful recipients. I have shared these with the children in assembly.

On Wednesday, all of KS2 took part in an inter house tag rugby competition... rumour has it that Culpeper house won! Well done to all the children who took part. Our sports partner Amy who has taught the children tag rugby commented on the great sportsmanship and teamwork between all the children.

Along the cloakroom corridor we are developing our values displays. After half term the children will be ‘values spotting’ and able to nominate each other for the different heroes, by putting their nominations up on the boards. We will select some of these to read out in a Friday assembly.

13th October 2017

Dates for your diary

Child Voice

“Can we have a non uniform day?”

We are starting to plan exciting events like non uniform days!

Parent Voice

“We really enjoyed the harvest service. It was nice to meet the new vicar”

We are looking forward to working closely with Paul Graham.
