

“A learning community– developing hearts and minds”

Hollingbourne News...

This term we have been thinking about New Year Resolutions. As a school we have decided a good New Year Resolution is to keep the cloakroom tidy! The children have set their own goals in class too.

This week the Friends have met to plan exciting events to raise money for the school. Look out for dates coming up in the diary. Last Year, through School Council, Beech Class requested some new non-fiction books and David Walliams books. Just before Christmas these were given to the children who were absolutely delighted. On behalf of Beech Class I would like to thank Friends for this contribution. This year the Friends funds are going to go towards key projects such as improving the library area– we would like some comfortable seating. In addition we would like to now decorate the small kitchen area and furnish this so it is ready for visitors and small groups of children to use. School Council have also made some suggestions which I will be taking to Friends in the next meeting.

Don't forget... If your child is in Beech Class and you haven't already done so, please return the consent form and the deposit .

Further information about the KS2 residential will be given at the meeting on January 25th... the children are very excited!

Have a lovely weekend!

Child Voice

“Will there be a pancake race this year?”

There certainly will! I have a meeting next week with the organisers! The date is in the diary.

Parent Voice

“Please can parents be reminded about parking safely outside school.”

Please consider the children children's safety when parking outside school- thank you.
