

“A learning community– developing hearts and minds”

Hollingbourne News...

This week we had our first parent forum meeting. Thank you to all who came. In this meeting I was able to share the school development plan for terms 3 and 4. We also discussed school dinners. We plan to meet again before Easter (date to be arranged). At the next meeting we are going to discuss short reports (I plan to propose our revised format agreed at staff level), the uniform code and also the behaviour policy which we are in the process of updating. I hope you will be able to join us when the date is set to have your say. We'll make sure there is tea/ coffee and biscuits!

This week Cherry Class visited Maidstone Museum for a dinosaur workshop. They also went to the library. By all accounts it was a very exciting day! I was amazed how much the children knew about dinosaurs when I visited their classroom earlier in the week! Well done Cherry Class.

Not long until the end of term and we have lots of exciting things in the diary! Check the 'dates for your diary' section for more information.

Look out for our new website coming soon!

Have a great weekend everyone!

26th January 2018

Dates for your diary

- Thursday 1st February Wasted workshop for Oak Class
- Friday 2nd February Fire safety talks
- Internet safety day Monday February 5th
- Internet safety day assembly Tuesday February 6th
- Wednesday 7th February PM Spelling Bee competition with local schools.
- Thursday 8th February Pancake race 2pm
- Friday 9th February- End of term 3

Child Voice

“We can't wait to go to residential.”

Neither can we. We are hoping to make memories to last a lifetime!

Parent Voice

“Will the children be able to have a campfire on their residential?”

**Absolutely! A member of staff will be trained in March so the campsites will allow it.
