

GOVERNING BODY'S CHARGING POLICY

Hollingbourne Primary School,

Eyhorne Street,
Hollingbourne
Maidstone
Kent ME17 1UA

GOVERNING BODY'S CHARGING POLICY:

CHILDREN

Activities during the school day are free, but voluntary donations are requested for swimming and school visits. Most extra curricular activities are provided free of charge, with the exception of residential visits, which are charged at cost.

It is, though, the Governing Body's wish that as many children as possible should take part in the full life of the school, and any parent who finds it difficult to contribute financially, should contact the head teacher, in confidence.

PREMISES

When and where it is possible to hire out any part of the school this will be done at cost (to include heat, light, caretaking, wear and tear). The needs of the school must always be considered before making it available to potential hirers
