

Hollingbourne News...

The new school website is launched!

Make sure you have a look around it. We will be adding to it throughout the year so it will be much more interactive than our previous website. Each class has its own page and teachers will be keeping their pages up to date with what's happening in class for you to see. We will soon be updating the calendar so that you will be able to see up and coming events and any additional information.

A big thank you to everyone who has returned their sponsored read money. Don't forget to return it if you haven't already! We are looking forward to choosing some new books for the school and I'm sure the children can't wait to choose their books either.

Don't forget next week is World Book Day. The children can come dressed as a book character. We can't wait to see the children and involve them in exciting activities we have planned.

23rd February 2018
