

Hollingbourne News...

There is so much to talk about in this week's newsletter! We had our Key Stage One Residential 2018 for three days last week and what a ball we had – archery, orienteering, geocaching and of course water fights to name a few of the activities we got up to. Beech Class were amazing and showed all staff just how brilliant they all are: everyone gave all activities a go. They were also extremely respectful to the adults and helped tidy and clean, often without being asked to do so – well done to you all. Special thanks to Mrs Rout who volunteered to help; we could not have completed the trip without you.

This week has been action packed too. We have had Sports Day – a fantastic afternoon. So much collaboration, resilience and respect towards one another was witnessed. The children were truly showing the school values in full glory. Eythorne House won the Sports Day trophy – well done to you all, it was an extremely close run competition with very few points between the two houses.

On Tuesday we were of course treated to the delights of the singing, dancing and academy award-winning acting of Oak Class when we had the pleasure in watching their Rocky Monster Horror Show. It was fabulous and both children and relatives alike enjoyed watching the show immensely – well done to you all.

Year 6 went on their trip to Chessington World of Adventures on Thursday and to say they enjoyed the day would probably be a bit of an understatement. The children represented to school so well and their politeness and respect to others was brilliant. They made us very proud.

The Garden Show is in full swing this weekend and thanks to Mrs Davis, the whole school have contributed making vegetable animals, decorate cakes and all kinds of other interesting activities.

Year 6 had their very own camp out in the school field on Friday evening – tents were pitched, pizzas were eaten and a good time was had by all. Year 6 enjoyed themselves, but looked extremely tired on Saturday morning! Enjoy your rest over the weekend Yr6!

Secondary Transition Tip #4:

Problem solving – think about who you might ask if you were unsure and how to do so politely. Emphasise that everyone needs to ask for help sometimes.
