

## Hollingbourne News...

It has been another busy week with some great stuff going on in classes. Pine class have been busy with DT – the children have been making cars using plastic bottles. They have also been spray painting this week. Their creations are fabulous!

Oak Class have continued with their bake off competition. The final bakers should have made their bread by tomorrow and Mrs Jones will announce the overall winner – it's very tense in the Oak Class tent, there are lots of worthy contenders in with a chance of being crowned Hollingbourne Bake Off winner of the year!

Beech Class have been doing some very complicated maths and calculating some shopping problems given to them – they were showing some fantastic collaboration as well as resilience working out the answers.

We had our Bible Presentation at the church for our Year 6 leavers. Many thanks to Rev. Kite and Captain Graham for the lovely service and of course their continued support and generosity.

Our school choir sung at the church and were amazing as always with a song from The Showman, which was very moving.

The Year 6 Leavers barbeque went extremely well, everyone had a ball, especially when it came to the super soaker water fight!

Have a great weekend and enjoy the sunshine.

20<sup>th</sup> July, 2018

## Dates for your diary:

- Tuesday 24<sup>th</sup> July – Year 6 Leavers Assembly – School hall at 2.45pm
- 

## Child Voice

“Can we have a cookery club next year?”

**All clubs will be revealed early next term.**

## Parent Voice

### Secondary Transition Tip #5:

Plan a route together or give your child directions to follow. E.g. in a supermarket/ local park etc. – don't tell the child what they're aiming for so that they have to listen to and follow the directions!

## Readers of the week

Cherry Class: Hadley

Beech Class: Daniel

Pine Class: Lucy

Oak Class: Colette

## Hollingbourne Heroes

Cherry Class: Daisy – Aspiration

Beech Class: Tahlia – Resilience

Pine Class: Lilah & Alysia – Resilience

Oak Class: Isabel – Collaboration

## Attendance

Our whole school attendance target for this year is:

**98%**

Our attendance so far is:

**98.7%**
