School Values

Resilience

Collaboration

Aspiration

How the values will be fostered:

- Resilience: children will work through learning and remembering key facts. They will apply these to new learning on the topic as it presents itself.
- Collaboration: group work to share resources, complete some learning tasks and support each others learning about the Great Fire of London.
- Aspiration: the children will aspire to become experts in the Great Fire of London, real life historians full of facts and information.
