

# Habitat Enrichment Activities

Dear Beech Class:

On this page you will find some additional homework activities that compliment our topic for this term . There is no 'right' way to complete these or record them - just have fun and see what you create.

We expect at least two of these to be completed and brought into class by Monday 1st April so they can be shared and displayed. However if you wish to complete more and bring them in throughout the term then we will be delighted to see what you come up with.

Mrs Jones and Miss Hills

Create a 3-D model of an animal.	Visit the library to find out facts about different animals.	Create a diorama of an animals habitat.
Produce a fact sheet about an animal and their habitat.	Write a poem about an animal.	Draw and label a habitat.
Paint a scene of a habitat.	Can you invent a new animal and a habitat for it to live in?	Make food to feed the local animals- bird feeders etc. Can bring in photos of these.
