

Term 6 Enrichment Activities

Dear Beech Class:

On this page you will find some additional homework activities. There is no 'right' way to complete these or record them - just have fun and see what you create.

We expect at least two of these to be completed and brought into class by Monday 15th July so they can be shared and displayed. However if you wish to complete more and bring them in throughout the term then we will be delighted to see what you come up with.

Mrs Jones and Miss Hills

Use scales to weigh different items, or ingredients, around your house.	Create a 3-d model of Hollingbourne, or a part of it.	Walk around your local area, what human and physical features can you see?
Bake something to share with your family (or teachers!)	Create a recipe for a meal of your choice, or own invention.	Sketch, paint, draw a feature of the local area.
Create a graph showing the favourite foods of your family.	Design your own village and make a map of it.	Use Google Earth to explore.
