School Values

Resilience

Collaboration

Aspiration

Respect

How the values will be fostered:

- Resilience: children will work through the requirements of a balanced diet and create a menu that is healthy and balanced.
- Collaboration: group work to share resources, complete some learning tasks and support each other.
- Aspiration: the children will aspire to become experts about balanced diets and food packaging.
- Respect: the children will learn use equipment safely when cooking.

Celebrating success by:

Taking desserts home to share with family.

Community Links/Visits/Visitors:

A walk around the school kitchen discussing uses and safety of appliances.

Parental support:

Provide resources needed for making packaging.
