

Experience Title: **Everything Europe**

Year/ Class: 5/6 - Oak

Start Date: 29/10/19-
03/11/19

1
Week

Main Subject focus:

Geography

Supported by this/these subject(s):

ICT

Discrete Subjects:

Guided Reading, Spelling, SPaG, English, Maths, Music, PE, PSHE.

Rationale:

This is an opportunity for children to learn about Europe including the different countries within it. They will also locate those countries on a map and learn about capital cities, climate, population as well as some of the main physical features. Children will be able to locate main rivers and mountains. In addition, they will discuss and locate, using research, major landmarks throughout Europe.

Hook:

Countries, capital cities and flags.

Outcome:

To know and understand about Europe and the countries within it.

CORE VALUES:

Resilience	Aspiration
Collaboration	Respect
Honesty	Acceptance

How the Values will be fostered:

- *Aspiration* children will aspire to become experts.
- *Respect* – to learn about and respect other cultures.
- *Acceptance* – to learn about other cultures and understand and accept differences.

Celebrating success by:

Sharing research and findings with the rest of the class.

Community Links/ Visits/ Visitors:

Parental support:

Discussion of what has been learnt in the topic so far.

Homework Project:

- Individual research on topic.
