

# Term 2 Blow Your House Down!

## Enrichment Activities

Dear Beech Class:

On this page you will find some additional homework activities. There is no 'right' way to complete these or record them - just have fun and see what you create.

We expect at least one of these to be completed and brought into class by Monday 18th November so they can be shared and displayed. However if you wish to complete more and bring them in throughout the term then we will be delighted to see what you come up with.

Mrs Jones and Miss Hills

Can you identify the different materials used for objects in your house?	Experiment at home, which materials <ul style="list-style-type: none"><li>• sink?</li><li>• are waterproof?</li><li>• are magnetic?</li></ul>	Visit a DIY store and look at all the different building materials.
Write your own version of a traditional tale.	Go to the library, read a traditional tale and write a book review.	Sketch, paint, draw a picture of your house.
Create a 3-d model of your house.	Which is your favourite traditional tale? Create a picture of a character or a scene.	<u>We need your help!</u> This term Beech Class will be making a house for the three little pigs to live in. Please send in any materials that can be used for this by Wednesday 13th November. Thank you.
