

Experience Title: Blow Your House Down!

Class: Beech Class
Year groups: Years 1 and 2

Start Date: 29th October 2019
End Date: 22nd November 2019

4 weeks

Main Subject Focus:

Science
Literacy
DT

Supported by this/these subjects:

Maths
IT

Discrete Subjects:

Guided Reading, Phonics, Music, Grammar, French and PE.

Rationale:

This is an opportunity for the children to learn about materials and their properties in order to build their own house for one of the 3 little pigs.

Hook:

Can you match the object to the material it is made from?

Outcome:

Children will have designed and made a house for one of the 3 little pigs which will not be able to be blown down.

School Values

Resilience

Collaboration

Aspiration

Respect

How the values will be fostered:

- Resilience: children will develop this by testing and retesting their house in order to ensure it is stable.
- Collaboration: group work to share resources, complete some learning tasks and support each other.
- Aspiration: the children will aspire to become experts about properties of materials.
- Respect: the children will learn use equipment safely when working.

Celebrating success by:

Class celebration testing how strong each house is.

Community Links/Visits/Visitors:

Beech Class will display their work in the hall for the other classes to view.

Parental support:

Provide resources when needed and to support homework menu.

Homework Project:

Homework menu.
