

Term 3 Programming

Enrichment Activities

Dear Beech Class:

On this page you will find some additional homework activities. There is no 'right' way to complete these or record them - just have fun and see what you create.

We expect at least two of these to be completed and brought into class by Monday 20th January so they can be shared and displayed. However if you wish to complete more and bring them in throughout the term then we will be delighted to see what you come up with.
