

Cherry Class Newsletter

2022-2023

The children are able to freely access water throughout the day so please provide fresh water daily, we can top this up if the children need more.

PE

PE will be on Thursdays please come to school in your PE kit. This must follow the PE uniform outlined on our school website.

Our Themes this year...

- Paws, Claws and Whiskers.
- Bright lights, Dark Nights.
- Once Upon a Time
- From the Tiny Seed.
- I am unique
- Shiver Me Timbers

Suitable Clothing

We go out in all weathers so please ensure your child has the appropriate clothing, this can be left at school. If your child does not have wellies or a rain coat when it rains or snows they may be restricted where they can play. Remember hats and sun cream for the nice weather.

Home Learning

Home learning will be issued weekly, this will usually be on a Thursday and due back Tuesday.

For Year 1 we will tend to alternate between Maths and English/Phonics, for Year R this will tend to be quite a practical task.

Reading

We do reading groups three times a week, where the children will read a book (matched to their phonetic ability) to an adult. We issue new reading books every Monday which we hope you can read at home every day. The expectation is the reading record is signed when you read – a comment is great but please feel free to just sign. If the record is not signed we will not change the reading books that week. We recommended the reading books are read at least three times front to back to help with fluency.
