CONTACT AND READING

All pupils have been given a contact book (for any necessary notes) and a reading record.

Please record every time you read with your child at home as they will earn house points.

Spellings will be given every Tuesday, allowing children a week to practice them in preparation for their test the following Tuesday.

Homework will be given out every Thursday with the expectation to be handed in the following Thursday.

How you help your child at home:

- Listen to them read, ask them questions about what they have read to check their comprehension
- Encourage them to learn their spellings daily to really make them stick!
- Encourage them to practice their tables regularly on an app if needed to create some interest
- Encourage them to complete their homework before the deadline or in small chunks so it is not such a big task
