

Hollingbourne News...

Wow! What a fantastic couple of weeks back. I am so incredibly proud of the children. They have settled back into school really quickly. I have seen some amazing maths work this week from all classes.

This week we have been revisiting the school values. I have seen some really great examples of these in practice from across the school. In particular I observed really good collaboration in Oak class as they were writing numbers into words; Beech class were working in pairs to show the value of different numbers using practical apparatus and Pine class were discussing agreements in RE and sharing what agreements they have at home. Lots of children say they agree to keep their bedrooms tidy... we'll let you be the judge of that!

In other news this week– many congratulations to Collette in Year 6 who passed her Grade 1 piano exam with Merit. A fantastic achievement.

This week a group of children went to Mote Park to join the Cross Country competition. The children represented the school brilliantly. Well done to all the children who took part– congratulations to Eden who came 11th.

Child Voice

“Can we have more equipment to play with at break times?”

A great idea! We are looking into this.

Parent Voice

“Please can we avoid parking on the yellow lines outside school. It becomes dangerous at the end of the school day.”
