

“A learning community– developing hearts and minds”

Hollingbourne News...

It's been another busy week! Everyone is working very hard. This week we have introduced the 'houses' to the children. Once the house captains are appointed we will allocate the rest of the children to a house. They will either be in 'Eyhorne' house or 'Culpeper' house. We will try and keep siblings in the same house. We can't wait to start planning some inter-house competitions.

This week 8 children went to Mote Park to join the Cross Country competition. This week the children ran 2 miles! All the children completed the course without giving up and many placed better this week than last week. Well done to everyone who took part!

A couple of requests:

Please can I ask that children DO NOT bring in their own leather footballs to use at break and lunch. We will provide lighter footballs which will be safer for the younger children outside.

Can I also ask that parents DO NOT use the children's toilets in the morning. As you can appreciate this is a safeguarding issue.

Please speak to the office staff if you need to use our facilities and they will direct you to a suitable toilet in school.

22nd September 2017

Dates for your diary

- Monday 9th Oct- Harvest assembly **9.15 at the church**

Child Voice

“When the house captains are away, who will be in charge of our house?”

The vice captains will be! They will be appointed from Year 5.

Parent Voice

“We really enjoyed the meet the headteacher/teacher evening. It was really positive to hear future plans for the school. We also learned a lot about what the children will learn this year. Thank you!”
